Katy shares her inspiration for the business...

“ Home is our special place - a place we share with the people we love. It's where we swap stories on the sofa on a lazy Sunday afternoon. Our business started with a couple of old, but beautiful Chesterfield sofas and a flat cap - my Dad's Harris Tweed flat cap to be precise. It was well looked after and looks as good today as the day it was bought, these are the values that underpin our business. ”

At the Vintage Sofa Co. we only sell what we love. The sofas, armchairs, cabinets and accessories we sell are selected using one rule - would we have them in our own home?

As a family-run business, there's real integrity to everything we do and every product that we stock. It's important to us that our customers can choose beautiful, well-made furniture that is good value money and will be right for their family. We want our customers to feel the love and care we have taken over sourcing each and every piece. They're picked with you in mind.
